

FAN ARRIVAL GUIDE

Your guide to coming to the beach for the
2024 Lexus WSL Finals

Directions & Parking:

DRIVING:

Coming from either north or south on I-5, take Exit 72 (Cristianitos Rd) and head east (away from the ocean) to the [pay parking lot](#) on S El Camino Real. Limited public parking is available on nearby streets; please be sure to obey all posted parking signs and regulations.

RIDESHARES:

All drop-offs and pick-ups should be at the [red curb](#) outside the [pay parking lot](#) on S El Camino Real.

LOCAL TROLLEY SERVICE:

The City of San Clemente's free Green Line Trolley will add a stop at the S El Camino Real [pay parking lot](#) on Thursday 9/5 and on Finals Day. Trolley schedules and more details are available [here](#).

Getting to Lower Trestles:

You'll need to walk, bike, or skateboard from Cristianitos Rd. Take either the [Trestles Beach Trailhead](#) or [San Clemente Bike Trail](#) until you meet the [San Onofre State Beach Trail](#), then keep going until you reach the train tracks. At the end of the paved road, park your e-bike/bike in the designated area, and walk south along the beach until you reach the event site. *If you're on an e-bike, please watch your speed!*

EBIKES:

From Thursday 9/5 through the end of the event (and including on Finals Day), no bikes, including e-bikes, will be allowed on the beach or trails. This is to maximize the available beach space for fans, and to best protect the environment at Lower Trestles. E-bikes must park in designated e-bike parking areas. Any e-bikes attempting to ride or park in restricted areas will be turned away. Please obey all instructions and signs; there will also be restrictions on e-bikes on the beach during the event setup and breakdown.

ADA ACCESS:

Please reach out to northamerica@worldsurfleague.com if you have any questions regarding ADA access.
